

Standing at 6ft with brown eyes and wavy brown hair with a medium build, BFA0122 is certainly an attractive donor. He is our very own Will Young! He has a beautiful smile and a cheeky laugh. He is personable friendly and chatty, always asking how we are all doing which is typical of his caring compassionate nature. He certainly brightens up our day whenever he visits.

He has an easy-going nature and enjoys nothing more than meeting up with friends and chilling, as he works long hours. He is extremely ambitious and is currently studying to become a nurse. We think this career is totally suited to him as he is one of the most compassionate caring and understanding people we have met. His family (he is a twin too!) mean the world to him as do his friends. He loves to travel and is hoping to move to the US once he has qualified.

He chose to become a donor with SxSB as he wanted to “help families become complete”.

If you are looking for a tall dark handsome and caring individual BFA0122 is definitely the one for you.
