

Ringo Staff Impression

Ringo has a naturally large and athletic build- he is tall, has broad shoulders, muscular arms and legs, and a strong core. He has a large, oval face, a wide smile, and a bright, cheerful expression. Overall, his appearance is very attractive and approachable.

Ringo played college and professional indoor football before getting his teaching degree. He was a middle school math teacher for 5 years, and is now currently working with a company that travels to middle and high schools doing motivational speaking, and helps kids create plans to become successful adults. He has a huge heart and will to serve others and give back to his community. He also has an amazingly close relationship with his family, and easily engages everyone around him with his outgoing, warm, and enthusiast personality. Ringo's energy is infectious- if you are looking for someone who is especially charismatic, kind, and athletic, he would be a great choice for you!
