

Aurora Staff Impression:

Aurora stands handsomely tall at 6'3 with a head full of thick curly waves. His brown locks sit atop his bright blue eyes. He has fair skin with rosy blushed cheeks. Aurora is an outgoing and energetic person who is always on the search for new experiences. He values his time and enjoys spending it on travels, exercise, and brewing beer when he is not working. Aurora is working engineer who in his free time works towards his dream of creating his own brewery.

Aurora has an athletic build and keeps active by rock climbing and surfing. He is also an avid outdoorsman, having backpacked through Europe for 3 months and camping in the Drakensburg mountains of South Africa. Among these skills, he is also a great storyteller and a talented guitarist. Aurora is a well-rounded, adventurous spirit who is a great choice as a donor!
