Oz is a caring, compassionate, and adventurous guy with a heart for people! He is tall, and has kind, blueish green eyes, a rounder face, and a charming smile. Oz works in the technology industry and has had great success in his field. He also is bilingual and is fluent in Spanish! The best way to describe Oz, is that he has a lofty and upbeat personality, and can light up a room the minute he walks in. We enjoy his optimistic energy, as well as his calming voice and demeanor.

In his free time, Oz enjoys playing sports, fishing, and spending time with his lovely wife! He also likes to seek adventure and hopes to one day explore Hawaii. We recommend Oz to anyone looking for a down to earth, well-rounded donor.
