

Haywood (12388) Staff Impression

Haywood has strong features with a rectangular face, deep-set eyes, full lips, a rugged jawline, and a square chin. He has light blonde hair, sky blue eyes, and a light complexion that contrasts nicely with his dark pink lips. He has a very masculine appearance, with an average build and well-proportioned limbs.

Haywood, who describes himself as nerdy and easy-going, is an aspiring voice actor who is learning audio recording and editing while working to get his foot in the door in the industry. He currently works in maintenance at his family business doing a variety of tasks that utilize his problem solving and mechanical skills. In his free time, he enjoys gaming, painting model figurines, archery, and playing the drums.
