

### **Barrington Staff Impression**

Barrington is a very attractive donor. He stands at just under 6ft tall and has an athletic physique. He has a clear, fair complexion which allows his thick, curly dark brown hair and sparkling ocean blues eyes to stand out in stark contrast. Barrington has a well-defined jaw line and full pink lips. He typically has a well maintained 5 o'clock shadow. He's always well put together and looks fantastic when dressed up or sporting jeans and a t-shirt.

Barrington has a BA in Philosophy. He is also very musically inclined and talented, playing multiple instruments. Barrington comes from a large family and is very close with all of them, they even take family trips together. Barrington is ambitious, goal driven, self sufficient and charismatic. He hopes to someday buy back the house he grew up in and raise his own family there.

Barrington is a great addition to our donor program and a perfect choice for anyone seeking an all-around great guy!
