

BFA0155 is a handsome donor with piercing blue eyes and strawberry blonde hair. He is an extremely well-rounded individual. Whilst he is exceptionally sporty he is also happy to relax with a good book – he is the perfect balance between active and easy going/laid back.

He has a disciplined approach to life, and this is notable in his day-to-day life. He is extremely fit and often runs everywhere! He is passionate about travelling and immersing himself in new cultures and adventures. When he sets himself a goal – he achieves it!

He is engaging when speaking with us and he often has great ideas on how one can improve themselves. He is always looking at ways to improve himself physically, emotionally, and intellectually.
