

BFA0144 has fair skin tone, light brown hair, almond-shaped brown eyes, full cheeks, and glowing skin with a light brown/ginger beard. He is a good-looking guy with a rugby player build - he actually played rugby in his younger days!

At first, he comes across as being a little shy, but it doesn't take him long to warm up. He has an air of emotional intelligence about him and is really engaging. He has a wonderful witty humour and an inquisitive personality.

He describes himself as a "hands on" type of person who takes pride in his logical thinking. He is extremely proud of achieving his lifelong passion of becoming an engineer...but is now ready to take it to the next level by obtaining a masters in his field – we have no doubt he will achieve this.
