

BFA0164 is 5'9 with a slim toned build kind blue eyes and wavy dark brown hair. He has a warm smile and is quietly spoken. He describes himself as a “talkative introvert” and we would definitely agree. His warm nature makes him easy to talk to and he has an air of calmness around him and makes everyone feel at ease.

He has a passion for music and travel – he’s in a band plays the piano synth and acoustic guitar. He’s travelled extensively around Europe and also plans to travel to Asia.

He has a close relationship with his parents describing them as his inspiration.

We would say he is the epitome of cool calm and collected.
