

With blonde hair, striking blue eyes and chiselled features BFA0148 is the epitome of a handsome Swedish man. Always impeccably dressed and has an understated air of confidence about him. He is softly spoken well-mannered and friendly each time he visits us. He has a calm and collected way about him but is also happy to engage in conversation.

He is an active person and likes to keep in shape by running going to the gym and playing rugby. He has also travelled and studied abroad. He is a good mix of relaxed and adventurous.

We all unanimous agree that BFA0148 is beautiful both inside and out.
