

BFA0181 is 5'9" with a slim build. He has a shield shaped face, with a slim nose, blue eyes and straight light brown hair. At first, he appears quiet but after a few meetings we found him to be engaging and interesting. He has a compassionate nature and will do anything he can to help others. He says that kindness and honesty are one of the things that are important to him, and he certainly is the epitome of that.

He is passionate about his chosen career and all things science based as well as philosophy and is extremely well read. He has travelled and enjoys learning about new cultures and challenged himself by learning a number of foreign languages including Chinese and Japanese.

Outside of science and philosophy he loves hiking in nature as well as paddleboarding, playing badminton, martial arts.

We would say he is the perfect mix of studious and sporty. His friends describe him as kind, creative and intelligent – we definitely agree with them.
