

Hanover 14261 Staff Impression

Hanover is thoughtful, kind, insightful, and very empathetic. He is such a friendly guy, and a pleasure to be around. He has a tan complexion, with beautiful blue/green eyes light brown hair. He has a beautiful smile as well, with subtle smile lines that add to his attractive facial features. It is not a surprise that Hanover has an athletic and fit build, as he spends a lot of time staying active by surfing, hiking, climbing, and weight training.

In addition to living an active lifestyle, Hanover is a very passionate and talented musician. Our staff members enjoy discussing all things music with him, as he regularly plays guitar, drums, and bass. Hanover is an artistic, creative, and largely empathetic person, and we recommend him for any family!
