

Kirilo 14386

Kirilo is a friendly, kind, educated, and incredibly handsome guy! He is tall with blonde hair, beautiful blue eyes, a strong jawline and high cheekbones. Kirilo is currently a student but works at a genetics lab and hopes to continue a career in the field of health science. He is very conversational and likable around the office, and always has a smile on his face.

When he is not busy at school or working, Kirilo most enjoys going to the beach and spending time with his friends. He also enjoys scuba diving and swimming, as well as watching soccer in his free time. One place he would like to travel to in the future day is Italy, to learn about the people and culture. We admire Kirilo's enthusiasm about life, his laid-back personality, and his humble demeanor, and we recommend him for any family seeking a stellar donor!
