

At 5ft 9 with kind blue eyes and dark brown hair BFA0175 is our very own musician and film editor. He is truly passionate about his job and feels grateful is he fortunate enough to play in a band.

At first, he comes across as shy, but over the months he has overcome this and is engaging and funny. He loves to make people laugh and is incredibly kind and compassionate – a quality he seeks in other people too.

BFA0175 loves to travel and describes his greatest experience as travelling around the world when he turned 18.

He firmly believes that people should always be kind to each other, and this comes across in his gentle manner and soft voice. He has a calm caring aura and it is always a pleasure to see him.
