

There is never a dull moment when BFA0171 comes to see us, he can lift any mood with his sharp wit and infectious personality. He is also “easy on the eye” at 6ft tall with a medium build and broad shoulders, sparkling blue eyes, slightly curly brown hair, and a shield shaped face. He may sound like the “average” man, but I can tell you that he is far from “average!”

He can brighten up the most boring day with his wicked sense of humour and funny stories (sometimes they aren’t funny at all – but boy can he make you laugh by the way he tell them)!

With his easy-going personality he makes friends easily and has a large group of friends. He has a creative flare and loves a challenge – Bungee jumping off a canyon is up there with one of his greatest experiences – even though he fears heights!

He is an animal lover and as he says, “throws my more maternal instincts into adopting animals”. Whilst career driven, he also loves to travel, and is a passionate about his partner and “fur children”.

BFA0171 is truly beautiful inside and out.
