

Sparks 10695 Staff Impression

Sparks has a distinctive appearance that is both youthful and ruggedly handsome. He has an oval face framed by dark, tightly curled hair. He has a clear, light tan complexion, rounded features, a small nose, and full lips. He has broad shoulders and a medium build.

Sparks holds a Bachelor of Science degree in Civil Engineering, and he currently works for a civil engineering firm. He is dedicated to his field, and he is considering obtaining a Professional Engineering license (PE) in the near future. Beyond his professional pursuits, Sparks finds joy and relaxation in a range of hobbies. He is an avid chess player, dedicating a considerable amount of time to the strategic game. Additionally, he possesses a musical talent, playing the drums and teaching himself to play bass. When not engaged in these activities, Sparks enjoys spending quality time with friends and catching up on favorite shows and new movies. In all aspects of his life, Sparks embodies a sense of adventure, continuous learning, and a desire to positively impact others. With his intelligence, diverse interests, and compassionate nature, he is a vibrant and engaging presence in our donor program.
