

BFA0188 is our very own explorer. Originally from New Zealand and standing at 6ft with a lean build, kind green/hazel eyes with a fair skin tone and grey hair (brown in his youth). He is outgoing but also loves to spend time by himself. He does have an air of calmness about him whenever he visits us. He is engaging and easy to talk to.

His family is the most important thing to him, and he strives to ensure he is a good partner and father. His greatest experience is his wedding day – which goes to show just how much his family mean to him.

He decided to become a donor because he had a friend who was donor conceived and felt that it was the right thing to do.

He loves to immerse himself in creative or cultural situations.

We think he is a beautiful soul, kind and caring.
