

BFA0183 is a beautiful South Indian donor standing at 179 cm with a medium, athletic build. He has brown eyes and black curly hair, which complements his shield-shaped face and slim, boxer-shaped nose. He is athletic and loves to exercise, he has achieved medals in weightlifting! He is also intellectually accomplished, holding a master's degree in international marketing, and is fluent in five languages.

He is a good blend of artistic and practical, highly organized, and systematic in his approach. Compassionate and humorous, he loves helping others and making people laugh. When he smiles (which is often) you can tell it is genuine and from his heart.

Having grown up in a busy city, he now prefers more peaceful environments like villages or farms. A fitness enthusiast, he enjoys regular exercise and values spending quality time with his loved ones. He's proud of his upbringing, and the values instilled in him.

His motivation for becoming a donor is purely altruistic; he aims to help people build families and spread kindness wherever he goes. BFA0183 is truly a kind, caring, and beautiful person, both inside and out. His achievements, character, and lifestyle choices reflect a balanced and enriching life dedicated to helping others and maintaining personal growth and well-being.
