

At 5'10", with thick, curly brown hair and a dazzling smile that shows off his pearly whites, BFA0196 has a striking presence – our very own Jamie Dornan! Always impeccably dressed, he carries himself with confidence and a polished air that makes an impression.

He is a true go-getter, having built multiple successful businesses, including ventures in jewellery and property development. His discipline and ability to plan years ahead makes it possible for him to turn his dreams into reality.

On his initial visits he was often a little shy/reserved but it didn't take long for him to engage in conversation and that's when we really began to get an insight into his personality and passions. Beneath his ambition his deep love for his family and family life is apparent. He is incredibly close to them, and his fondest childhood memories revolve around playing with his siblings and cousins at his grandparents' house.

A keen traveller, he has explored countries across the globe. He is also passionate about fitness, keeping active through boxing, running, cycling, and weightlifting.

Thoughtful, kind, and fiercely independent, he's the kind of person who leads by example—driven yet grounded, ambitious yet deeply connected to what matters most.
