

Standing at 179cm tall with brown eyes, light brown hair, and a fair complexion, BFA0210 brings warmth and positivity whenever he visits us.

An active person by nature, he enjoys walking, running, and swimming, with swimming being his favourite sport. Outside of work, his hobbies and interests include travel, cooking, gardening, reading, exploring food and drink, and spending time outdoors. One destination at the very top of his travel wish list is Japan, where he hopes to experience its incredible food culture and breathtaking scenery.

He is always happy, laughing, and joking and describes himself as passionate, loyal, and reliable. These qualities shine through in both his professional and personal life. He has a genuine gift for making people feel important, valued, and special—a rare and wonderful quality.

His passion for life is matched only by his love for his family and friends, who mean the world to him. Thoughtful, engaging, and endlessly supportive, he approaches every day with gratitude and enthusiasm. Whether managing events (he is an Events Manager) supporting colleagues, or spending time with loved ones, he brings dedication, kindness, and a positive outlook to everything he does.

As he often says, he believes in “making the most of the life we are given,” choosing happiness and positivity every day. A truly caring individual, trusted colleague, and loyal friend whose energy and authenticity leave a lasting impression on everyone he meets.
