

Bliss N8001 Staff Impression

Bliss stands at an impressive 6' with a medium athletic build. His distinctive deep auburn hair and striking ocean blue eyes turn heads wherever he goes. Add to that a charming cheek dimple and a radiant smile that can light up a room, and it's no wonder he makes a lasting impression. As one SSB staff member aptly puts it, "He is one of the kindest people you will ever meet." Bliss embodies a unique blend of kindness and charisma, making him a joy to be around.

In addition to his captivating personality, Bliss is a multifaceted individual with various passions. By day, he skillfully manages a busy studio, and by night, he dedicates himself to his studies, working towards a BA in Psychology with a focus on Somatic Trauma therapy. He is also a talented musician who writes his own music and plays the guitar. Bliss shares a special bond with his loyal Great Dane, Duke, and together they enjoy countless adventures. His love for travel has taken him on exciting journeys, including backpacking through Europe, and he has many fascinating stories to share. Always on the go, Bliss embodies the spirit of adventure!
