

### **Truett 14628 Staff Impression**

Truett has shaggy, middle-parted blonde hair, kissed with a hint of strawberry, giving him an effortlessly charming style. His crystal blue, almond-shaped doe eyes are full of curiosity, drawing people in with their soft gaze. His delicate straight nose and naturally rosy pink, pointy lips add to his gentle features, while his well-defined square jawline gives him a touch of brawn. There's something both endearing and cool about the way he carries himself.

Truett is the kind of guy who's always on the move, whether he's racing across the ice in a hockey game, strumming a tune on his guitar, or setting up camp under the stars. A full-time student with a competitive streak, he's played on just about every team—hockey, lacrosse, swimming—you name it. But he's not just an athlete; he's also musically gifted, effortlessly switching between piano, guitar, and saxophone like it's no big deal. Outdoorsy at heart, he thrives in nature and is always ready for his next camping adventure. Smart, empathetic, and a natural leader, Truett has a way of bringing people together, whether it's rallying his team, guiding a group through the woods, or simply being the friend everyone counts on.
