

### **Colm 20053 Staff Impression**

Colm greets the world with a contagious smile that shows off his charming dimples. His strong, rectangular face features high cheekbones, a straight nose, and full lips. He wears his thick, wavy brown hair gathered in a casual ponytail, which matches his warm brown-green eyes that shine with enthusiasm. Standing at 6'2" and sporting a solid, athletic build from years of fitness and adventure, his fair skin tans lightly.

Colm is currently in flight school with the goal of starting a career in aviation. A natural performer, he excels as a singer and dancer while pursuing adrenaline-filled activities like obstacle racing, weightlifting, hiking, rock climbing, snowboarding, and ultimate frisbee. He has a passion for music, strumming the guitar and ukulele, and he enjoys magic tricks from his youth. He is creatively inclined and also likes drawing and acting. Outgoing yet thoughtfully reserved with close friends, he is empathetic, determined, and an independent thinker. He constantly seeks self-improvement and meaningful connections.

Colm was raised in a loving, close-knit family that taught him the values of generosity and adventure. He dreams of a well-traveled life as a trusted pilot and a supportive figure for his loved ones. Donating brings him joy as he shares his health and spirit to help others build fulfilling families.
